Please provide number of paediatric leukaemia patients your hospital saw in 2017/18 by each month	We have no patients being tracked on a cancer pathway for this as we would refer all Paediatric Leukaemia to a specialist hospital. However, there are some instances where a patient has an admission and the ICD10 code for a Leukaemia has been used. This has been detailed below.												
Number of patients being tracked on a cancer pathway for Paediatric Leukaemia (Data from infoflex)	0	0	0	0	0	0	0	0	0	0	0	0	0
Number of admissions with ICD10 code C91 - C95 in any position	5	7	8	4	7	3	6	7	7	4	9	9	76
