Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to commercial clinical trials.

*You asked: All questions are shown as received by the Trust.
Specifically, can you tell me how many commercial clinical trials have been taking place in this hospital trust during the calendar year of 2022?
This could be completed trials, or trials that are ongoing. When I say “commercial trials”, I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.*

Trust response:

The Trust had 37 commercial trials in 2022 (14 recruiting, 23 in follow up).
