Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the Interoperability of Electronic Patient Records (EPR).

You asked:

Regarding the interoperability of electronic patient record systems I wonder whether the structure of the IT Department of an NHS Trust might have an effect on the success of the EPR system implemented.

Position

*IT Director/Head of IT
Chief Nursing Informatics Officer
Chief Clinical Information Officer
Chief Information Officer
Chief Technology Officer/Advisor
Chief Digital Officer
Other people in IT departments*

Trust response:

Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following links:
