Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to NPM agreement anti-embolism stocking (AES) supplier.

*You asked: All questions are shown as received by the Trust.
I would greatly appreciate it if you would send me a copy of the NPM agreement your Trust has with their anti-embolism stocking (AES) supplier. AES is part of the Vascular Therapy and Associated Products Framework. I also need to know when this was signed and, if possible, who sent the email to the Trust requesting them to sign this agreement.*

Trust response:

This contract has been marked as Commercial in Confidence and as such the Trust will not release any information under Section 43 of the Act.
